

Jed Hildebrand, D.D.S., M.S.D. Hildebrand Orthodontics

SPECIALTY: Orthodontic specialist for adults and children specializing in Invisalign and clear braces. **EDUCATION:** B.S., Baylor University; D.D.S., Baylor College of Dentistry; M.S.D., Case Western University. **AWARDS/HONORS:** America's Top Dentists 2009, Invisalign Advantage Certified Orthodontist, Teen Invisalign Certified, Top Research Award from Case Western Orthodontics. **PROFESSIONAL MEMBERSHIPS:** American Association of Orthodontics, American Dental Association, Southwest Society of Orthodontics, Texas Association of Orthodontics, Fort Worth Dental Study Club, Arlington Dental Study Club. **GREATEST PERSONAL ACHIEVEMENT:** I am proud to carry on the dental tradition in my family by following in the footsteps of my brothers, Brody and Sloan, and my father, David, who are all dental specialists in the DFW area. I am also very excited to be adding another dentist to our family in September by marrying Dr. Kim Jackson who has her own dental practice in Dallas called Pure Dental. **GREATEST PROFESSIONAL ACHIEVEMENT:** Being chosen as a contestant on the CBS reality television show "Survivor V: Thailand" while still completing dental school and dedicating myself to staying current with the newest advances and techniques in orthodontics to provide my patients with the very best ways to painlessly straighten their

teeth into the smile they have always dreamed of. **INNOVATIONS:** I lecture internationally on the advances in orthodontics and just returned from a lecture trip in Brazil this year. We utilize the latest advancements and newest technology at the forefront of orthodontics to expedite treatment. I am proud to be the only orthodontist in the DFW area to utilize the diode laser for faster treatment times and better results. **OUTSIDE THE OFFICE:** I enjoy playing soccer in the North Texas Premier League and getting on the lake with my family and friends. I cherish the opportunity to do community service and volunteering in mission work with recent trips to Thailand, Cambodia, India and Mexico. **FREE ADVICE:** "Your smile is a big part of a first impression, so making sure it is absolutely gorgeous has been my passion for years. I take pride in making it affordable for all my patients by accepting insurance plans, flex plans and maximizing benefits for all patients while filing all their claims for them. We also offer interest free in-house financing for all of our patients."
